What is the Prefab glass style kitchen cabinet Door made.

①Eco-friendly particle board/plywood

All our panels comply with emission class European E1 and meet the stringent California Air Resources Board(CARB) emissions standards.

② Perfect melamine Edge banding and per-drill hole

The benefits of the four-sided edge-sealing cabinet design are not only to reduce the release of formaldehyde, but also to prevent moisture from entering the board substrate to prevent deformation.

③ Cabinet connect hardware

The most worn part of the kitchen cabinet is the hardware . The key to an expensive kitchen is the quality of the hardware . We will recommend hinges, slide rails, kitchen storage systems, etc. of industry brands according to the customer's price budget, such as Blum, DTC, GARIS, and the kitchen accessories include NUOMI, HIGOLD, Wellmax, etc.
